

BUFFALO RUN COLORADO 2019

2019 is now upon us and it is time to get ready for the Thrill of the Chase search season. Thousands are making plans to put BOTG this summer to go out to find the elusive treasure. For some, this maybe their first year in the search. Come and meet with veteran searchers whom have a wealth of knowledge of the mountains north of Santa Fe.

The location of the Colorado meet-up will be located at the Buckhorn Exchange restaurant located in Denver Colorado on February 16th, 2019. This is a magnificent place with lots of history to engage in good food and great conversation about the Thrill of the Chase. Everyone is invited to share some good stories and laughter.
